

*TUESDAY Seminar*

**APRIL 13 | 6 PM**

via Zoom (see email)

## **Q&A WITH A GOOGLE SOFTWARE ENGINEER**

**Benjamin Baxter, Google**

How can you prepare today to land a job at a big tech like Google when you graduate? What's it like to actually apply for one of those jobs - and to work at one? What unconventional paths are available into these jobs, that you might not have considered? Benjamin Baxter, software engineer at Google, will discuss career opportunities and career paths into big tech for current undergraduates and graduate students at CSUCI. Please come prepared with your questions, as the format will be open Q&A!
